Hello, Sunshine!

Bring on the sun and fun! Summer officially begins on June 20.

Bach or Bluegrass

What's the difference between a fiddle and a violin?

The short answer: None, usually, but sometimes strings. The long answer: Violins and fiddles are essentially the same instrument, but the style of music is very different. Violinists often play complex written music at a slower tempo. Fiddlers play fast, often improvise and may use simpler tunes to accommodate their speed. Sometimes fiddlers will trade in traditional synthetic strings for steel strings to sharpen the twangy bluegrass style.

Sniff Out Lemons to Boost Your Brain

Stop and smell ... the lemons! The citrusy scent may improve your mood and mental processing. When the daily crossword has you stumped or you need to concentrate on a task, researchers have found that a whiff of lemon can enhance cognitive performance. Lemony smells also made people feel better and more motivated and alert.

Up, Up and Away

The Montgolfier brothers, Joseph-Michel and Jacques-Etienne, made the first public demonstration of a hot-air balloon in Annonay, France. The unmanned, 38-foot balloon, made from linen and lined with paper, flew for 10 minutes and covered more than a mile on June 4, 1783.

Memorable Melody: 'Catch a Wave'

"Don't be afraid to try the greatest sport around," urge The Beach Boys in their 1963 ode to surfing, "Catch a Wave," written by bandmates Mike Love and Brian Wilson. The tune debuted on the 1963 album "Surfer Girl." The song didn't chart for The Beach Boys, but a re-written version—"Sidewalk Surfing"—hit No. 25 for Jan and Dean.

A Day for Dads

Father's Day is celebrated on the third Sunday in June. It is a time to honor fathers, celebrate fatherhood and appreciate the influence of fathers in society. Let all the fathers in your life know how special they are on this day just for them.

National Yo-Yo Day

This contraption goes around the world without ever leaving your hand—the yo-yo! June 6 is National Yo-Yo Day, in honor of the birthday of entrepreneur and yo-yo enthusiast Donald Duncan.
